

# NEWSLETTER FROM STAFF ASSOCIATION CARLSBERG

No. 113 – June 2019

Dear members

## Staff Association Carlsberg has a NEW website 😊

It has for a long time been a big wish both from the Board and you members that we have a website which was more easy-to-read, more functional and modern. This has now happened.

On Tuesday a new world opened to the readers of fct.dk. A new website which apart from presenting itself better on an ordinary computer screen is also suitable both for phones and tablets.

One of the new features on the website is that we have merged the event calendar with the calendar for birthdays and anniversaries so that now you only need to look in one place if you want to know what's going on. In connection with events it will be possible to sign up directly from our website – and a lot more .....

As we told on Tuesday on our website and on Carlsberg's intranets, the Staff Association served layer cake for the employees (members as well as non-members) in the canteens on VF6, GBS, HQ, CRC, LCØ and in Fredericia, and they were well received and created great attention for our Association.

Getting a new website is not easy. First of all, it requires professional communication and web design skills which we don't possess, and at the same time we must ensure that we brought the necessary old data along. All along we had in mind that the new website must be as good as we wanted it to be. Both our Board members, our present web provider, but in particular our administration, Hanne & Hanne, have worked hard to get the new website up and running.

I think we succeeded rather well.

Creating a new website is naturally not free, and the total costs for the help from our external providers amounted to more than 90.000 DKK. We applied for funds from Employee Grant, and we are happy that we received a grant for the costs.

We expect that with the new website it will be easier to:

- Control the information flow to present and potential members, both the Danish- and English-speaking.
- Ensure that the website is user-friendly and contains all our social offers / professional areas.
- Welcome new Carlsberg employees by informing about the offers we have.
- Offer us employees the possibility of being part of an employee-driven association, the purpose of which is to strengthen the professional and social unity at Carlsberg.

In short, be part of ensuring that Carlsberg remains an attractive workplace where the employees thrive.

We wish all our members good reading – and not least a really good summer.

Peter Petersen  
President

If you on the new [fct.dk](http://fct.dk) should come across significant errors/deficiencies, you are welcome to write to us on [fc@carlsberg.dk](mailto:fc@carlsberg.dk) tell us about it.

Otherwise we just want to wish you good reading.

### Events Committee

#### Events planned for 2019

| Event                                      | Date                             |
|--|----------------------------------|
| Fall party – Fredericia – Rest. Oven Vande | Saturday 5 October               |
| Bingo – Valby                              | Thursday 7 and Friday 8 November |
| Bingo – Fredericia                         | Friday 15 November               |
| Christmas tree party – Valby               | Wednesday 4 December             |

Re. the Christmas tree party: Last year we tried for the first time to have only one party instead of 2. The party was well attended and a great success as on this one party there were nearly as many participants as on 2 parties in previous years. Therefore, we will again in 2019 have one party. If the need at a later stage arises for 2 Christmas tree parties, the board will naturally reconsider the situation.

## The holiday home committee

### News about the holiday homes

On **Hallandsåsen** the large larch tree which was shadowing for the evening sun on the terrace was cut down. This gives a lot of extra light and space on the site.

At **Friheden**, Klint the large wild plum tree in front of the main entrance was cut down. Some tenants had complained that there was too much shade on the south side of the house, especially during spring and fall. This has given light both in front and in the sitting room.

We have also cleared one of the "4 world corners" (behind the house on the top picture) so that you can now sit in the dry and look out over the site to the water.

At **Langeland** the large lawn has been a problem for some tenants. We have therefore installed a robot lawn mower this summer. It was installed during week 24, so now we must see of the tenants can get along with it. 😊

At **Nørkjær i Liseleje** the large birch tree which was shadowing for the evening sun in the garden was cut down. This has resulted in a lovely sunny place by the garage late in the day. We have also bought nice new garden furniture under the canopy towards the garden.

On **Samsø** fiber network from Fibia was installed in June, so now you can also use fiber network free of charge in this house.

In the flat at **Alicante** the owner has listened to the complaints from some of the tenants about the flat being a bit messy and crowded. – It needed a little TLC! The owner has now given it that! There is new garden furniture on the roof terrace. There are also new curtains and identical bedspreads in all 3 bedrooms and new pictures on the walls.

The TLC also included clean out of glasses and piles of old magazines. The flat is now looks presentable and nice to enter.

## Rental situation sommer 2019

There are only few vacant periods during the school summer holidays but a lot of vacancies to those who can take their holiday outside the school holidays. An extended weekend is also possible. Vacancy status is attached the at end if this newsletter.

The prices are available in the catalogue on the website.

**NOTE that our prices include electricity consumption** (except Lalandia).

To house 68, Cade at Volterra Hills in Tuscany we can add, that the flat in the catalogue is mentioned for max. 4 persons, but it is also possible to bring a child of up to 2 years without extra charge. 'Cade' is as we write available during week 27.

If you wish to rent a holiday home, you can book it directly through our website [www.fct.dk](http://www.fct.dk) in the booking system. Link to the booking system can be found under Holiday Homes in the top line.

You log on to the website with your employee number and First name. The name must be written with a CAPITAL first letter.

When you book a stay, a calendar always opens, which only allows full weeks. If you wish to book a weekend, you must choose the tab "Valgfri Periode".

Vacant periods can also be booked by contacting [Hanne Buch-Larsen](mailto:hanne.buch-larsen@carlsberg.com), tel. 4082 1442 – or mail to [hanne.buch-larsen@carlsberg.com](mailto:hanne.buch-larsen@carlsberg.com)

## Winter season 2019-20. Period 27 September 2019 - 1 May 2020

The catalogue for the winter season (in Danish only) is being prepared and will be printed week 27. It will be distributed as soon as possible to all working members and sent by post to our senior members.

In order to participate in the draw for week stays you must enter your application (lots) on Tuesday 13 August at 12 noon at the latest.

After the draw you will only be able to book only whole weeks until Wednesday 21 August when we open up for weekend rentals. It will, however, be possible to book Lalandia and Rome for minimum 3 days right after the publication of the draw.

For the whole winter season, we offer all our own houses as well as Lalandia and Skagen. In Frigiliana and Alicante the owners have reserved a few periods for themselves.

The flat in Central Rome is unfortunately only available to us during weeks 40, 41 and 43 as the owner is there during the fall holiday and will live in the flat from 1 November and around 1 year forward. (Note that the flat is also available in September. These weeks are already bookable in the booking system). We hope to have the flat again at a later date. We can offer the flat in Rome Pigneto for parts of the winter season. See which weeks in the catalogue.

Unfortunately, we are not at present able to offer a flat in Berlin like we had hoped for. The German legislation about renting out flats is a jungle. Our contact in Berlin is working on it, and if an opportunity arises, we will let you know at once.
